• EXPERIENCE

Bank Voice

Foundever Capital One – San José, Costa Rica

May 2025 – August 2025

- Provided customer service and support within the retail banking division, delivering personalized assistance to clients. Managed inquiries related to financial products, account statements, transactions, charges, payments, and issue resolution, ensuring compliance with the bank's quality and security standards.

Translator (English–Spanish)

Filter of Hope – San José, Costa Rica
February 2025 – April 2025

- Facilitated communication between local families in rural and urban areas of San José and English-speaking missionaries by interpreting interactions during the distribution of donated water filters.
- Transcribed educational and testimonial content related to spirituality and water sanitation.

Web Development Internship

FUNDATEC – Heredia, Costa Rica
October 2024 - December 2024

- Assisted in the maintenance of institutional websites and the development of web components using PHP and JavaScript.
- Participated in on-site technical support tasks and documentation of internal processes.

• ABOUT ME

Hello! I am 19 years old and currently pursuing my university studies. I am passionate about delivering work defined by quality and attention to detail. I strongly value teamwork and assertive communication as key elements for strong personal and professional performance, as well as continuous learning and improvement.

My personal passions include visual arts, music, dance, and fashion. I firmly believe in transferring my passion for art into my professional work as a way to bring creativity and purpose into everything I do.
